

## **Charity Ride Out in Aid of MacMillan Nurses**

**Sunday 10<sup>th</sup> April 2011**

### **Scenic Route from Howden to Newton upon Rawcliffe, near Pickering**

I am currently an associate with YAM and am three assessments into the process.

The idea of a fundraising ride came about because an old friend of mine died of oesophageal cancer just before Christmas. He had, and his wife still has, a pub called the White Swan at Newton upon Rawcliffe near Pickering.

Provisionally the date is set for Sunday April 10th and the ride would be a scenic route (tba) from Howden up to Newton starting around 10.30/11am with a minimum sponsorship of £10 per bike.

We will have official MacMillan fundraising paraphernalia to facilitate the whole thing, I'm just waiting for the sponsorship pack to arrive and to liaise with their local representative.

So that, in a nutshell, is that, I would be really grateful if you were able to help out as the more bikes we get along the better, I'll also mention it to as many people as possible when I go up to Squires for another assessment on Saturday.

Obviously it doesn't just have to be YAM members either, anything on two wheels will do!  
I look forward to hearing from you.

Kind regards,

Mark Rodger
