‘Long Way Up and Back Again’ Hartside Top Café (Nr Alston, Cumbria)

Join the team as they make their way up to Hartside Top Cafe and back again, stopping for lunch and to admire the views from the café.

Departing from Burger King (Clifton Moor, York) at 9:30am (briefing at 9:20am) the 230 mile route takes you along a number of well known biking roads which will not include motorways or dual carriageways, unless absolutely necessary. This will be a full days riding and we do not anticipate returning to York until 5/6 pm (weather permitting)

The day has been designed with rider comfort in mind so there will be a number of rider comfort and feeding stops:

TP (Cuppa Tea and a Pee) stop at Barnard Castle (20 Mins)

LTP (Lunch, Tea and a Pee) stop at Hartside Cafe (To Be Agreed)

TP (Cuppa Tea and a Pee) stop at Richmond or Leyburn (20 Mins)

We can't forget our bikes, so riders can feed their bikes at the planned fuel stop at Alston, Cumbria.

Those with gas guzzlers can also make use of the garage at Barnard Castle and/or Leyburn during the stop there but please let the Ride Leader or Tail End Charlie know you have nipped off to the garage.

As before, we will use the drop-off system as described in the April edition of Tidings (page 25).

Don't worry too much as the system will be explained during the briefing at 9:20am before we set off. Just in case there is a problem, you will be given maps and the mobile phone numbers for the Ride Leader and Tail End Charlie.

Those that attended the last social ride all made it back using this system!

In the event of adverse weather conditions, a decision will be made on the day whether to go ahead or change the route.

This event has been organised at the request of members of the group so please come along and enjoy the day.
